

A MESSAGE FROM YOUR COUNTY ASSESSOR

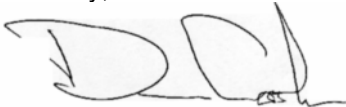

I am pleased to share this information with you, the property owners of Yakima county, again this year. Our intention is that you will find this Annual Department of Property Assessment Report informative and helpful. If there is any information that you would like to have included that is not currently here, please bring it to our attention and we will do our best to have it included.

In 2004 the Yakima County Department of Property Assessment appraised and set values on 105,757 real and personal properties. The total value of assessments subject to property tax distribution was \$11,062,056,969. Our staff processed 5,104 Senior Citizen or Disabled Citizen exemption requests and renewal applications across the county amounting to assessed value reductions of \$404,614,330 and a tax shift of \$4,447,366 away from these properties. We processed 8,777 parcels in the Open Space Agricultural and Timberland programs, representing 498,661.05 acres of property. These Parcels have assessed value reductions of \$350,641,255 resulting in a tax shift of \$4,236,846 away from these parcels. In addition, we processed 96 applications of Destroyed Property this last year with assessed value reductions amounting to \$4,123,498 and tax abatements in the amount of \$52,197 on these properties.

We have added more search capabilities and data on parcels on our Internet site. Our Internet address is <http://www.co.yakima.wa.us/assessor/assessor.htm>. Or you can find us on the Yakima County site at <http://www.co.yakima.wa.us/> and then select Departments and then Assessment.
